

New Publication: Privacy Handbook for Canadians: Your Rights and Remedies

This two volume set provides a handy overview of our privacy rights in Canada. It contains practical/legal information, case studies, resources and essays from privacy experts. It is an essential tool for everyone, including public interest groups, business people, non-government organizations, libraries, media, and lawyers.

Topics include:

- *government and privacy
- *private sector and privacy
- *drug testing
- *surveillance (government and non-government)
- *searches (police, schools, employers)
- *genetic testing
- *new technology
- *the Charter and privacy
- *glossary, appendix, resources

Includes up-to-date information on new privacy legislation. The price is **\$59 + \$10 shipping and handling (no GST) for both volumes.**
